

Whatever you need to move & wherever you need it to go.

Unlike other logistics companies, **Haulistic LLC** has unmatched experience and the unmatched system for moving large quantities of time-sensitive freight anywhere in the world. Owned by the Mullen Group, one of Canada's largest logistics providers, we offer a wide range of services including less-than-truckload (LTL), truckload, air freight, and international services.

Using multiple providers and worrying about getting your freight where it needs to go on time and on budget? How about one dedicated team instead?

By leveraging our freight spend and customized routing, we can offer our customers' significant time and cost savings. No matter the load size or structure, we make sure your freight gets there on time, every time.

Need additional capacity for product push, peak season or weather constraints? No problem. Think of us as a one-stop shop to source capacity for whatever you need to move, wherever you need to move it.

Plus you get our free, customizable, **EASY TO USE**, transportation management system, **SilverExpress**, to ship LTL, get instant tracking and receive enhanced reporting/analytics.

Problem-solving experts. Relationship driven. Superior customer experience vs the industry giants.

Logistics. Simplified.

Haulistic global logistics network offers the reliability, convenience, flexibility and value to fuel success.
